Welcome you all at a leading college of the nation having a glorious history.

We are pleased to share that St. Lawrence College has been established by a group of dedicated & dynamic academic professionals with a mission to provide qualitative and practical education. The vision of the management team is to develop and produce competent graduates that are ever in demand in corporate sector globally.

As we celebrate 25 years of academic excellence, we focus on holistic development of the students by imparting skill in the hands and knowledge in the minds. We believe that real education is one that helps to develop overall personality, therefore academics is complemented with co-curricular, extra-curricular and sports activities as well as through internships, field visits, seminars, workshops, projects and profession oriented non-credit courses. The college is committed to provide support and encouragement for the students having innovative ideas for initiating start-up companies.

With experienced and dedicated teaching faculties, we are striving to impart education that inculcates ethical and aesthetic values within students and makes them ready to shoulder responsibilities towards the family, the society and the nation.

We assure you that at St. Lawrence College you will get the best of the infrastructural facilities, caring attention and right academic ambience, which you had dreamt of.

YOUR SUCCESS
OUR COMMITMENT

Introduction

St. Lawrence College , one of the leading academic institution in Nepal, was established in the year 1997 AD with an aim to impart quality education demanded by the time. It is located at Chabahil, Kathmandu.

The college offers different courses and degrees under Science, Management, Humanities and Law in higher secondary level (+2) and MBS. BSc CSIT, BCA, BBS and BA(BSW) under the affiliation of Tribhuvan University (TU).

The college is celebrating silver jubilee with 25 years of academic excellence and 25 years of commitment for success. We are aware that the world is not standing still and many potential opportunities are still ahead and we are active as always to respond to the needs of society and nation.
